

WASHINGTON COUNTY PUBLIC LIBRARY *2021 Summer Reading Program*

JUNE 14 — JULY 16

Check our calendar to see all of the **AWESOME** programs we have planned!

Pre-Registration begins May 17th and ends June 7th. Thanks to the help of sponsors, all Summer Reading Program programs are completely FREE! If you would like to order a T-shirt, you must pre-register and pay for the shirt when you order. Please fill out the enclosed form and drop it off at the library or email to

info@wcpls.org. Additional forms will be available at the front desk and on our website www.wcpls.org. We encourage everyone to participate as often as they can throughout the summer! We have a variety of programs planned for all ages.

We will also offer zero contact pickup activities that will be available for pick up at the drive thru window. You must still register to do the zero contact program. Several of our programs are age specific or have limited

space, first come, first served, which will be specified on the calendar. Be sure to check our calendar for the age range of each event. We encourage you to register early to secure your child's spot for activities.

Our staff is fully vaccinated and we will be working to maintain smaller groups and abide by COVID health guidelines as we continue to be updated on health advisories from ADPH. We do require parental/guardian supervision for children under 6 years of age.

If you have any questions, please don't hesitate to email or call 847-2097!

We are proud to be partnering with **Feeding the Gulf Coast** to provide free lunches and snacks each day of our programs to all children ages 0-18!
PROGRAM PARTICIPATION IS NOT REQUIRED TO HAVE A MEAL WITH US!

Please note any food allergies on your child's registration form.

**Our Program Kick-Off will be
Monday, June 14th at 10AM.**

**If you haven't registered before that day, it's not too late!
Sign up all summer long for all ages and open programs!**

Children/Teen Reading Log

We want to add a little extra incentive for reading and learning this summer! To encourage everyone to read all summer, there will be a Bonus Prize drawing at the end of July! Every hour of reading added on your reading log = one entry into the drawing for the prizes. Activity logs will be available at the front desk and only books checked out from the library will count toward the points. For younger children or those who cannot yet read, coloring and listening to someone read counts!

1 Hour of Reading = 1 Entry

Keep reading and learning throughout the summer and increase your chances of winning! Please continue to check our website wcpls.org and our FB page for updates!

Zero Contact Programs are listed below for each week and can be picked up/ returned any weekday!
